

## Deaf, Bells

Bells told me to move on  
To the next errand  
Dragged my foot by foot I lagged  
And lazed through the long day.  
Ding  
Dong  
The hour announced  
Guessed I better hurry up  
I looked down instead  
Drowned in the droll in my head.  
Ding  
Dong  
No different today  
How can I self-motivate  
I need someone to follow  
But it will be the same tomorrow.
